

REMARKS

In the advisory action, the Examiner indicated that the amendments to Claims 14 and 15, as presented in the response to the final action, did not satisfy the "101 panel." Accordingly, Applicant has further amended Claims 14 and 15 to recite "A computer-implemented structure." Applicant respectfully notes that this form of amendment has been sufficient to overcome new 101 rejections raised in the past few weeks by other Examiners.

Claims 1 to 21 remain in the application. Claims 14 and 15 have been amended. For the foregoing reasons, Applicant(s) respectfully request allowance of all pending claims. If the Examiner has any questions relating to the above, the Examiner is respectfully requested to telephone the undersigned Attorney for Applicant(s).
